Will do!

Paul,

As discussed, attached is the work plan distribution list (in excel) that I pulled together based on the last letter you sent me in March (attached) and Jamie's latest distribution sheet (attached).

I am not sure about the City developers list since we had just been sending documents to Christina Rain previously and whether we need to send to Kasheica Murray (she was on your last letter but doesn't seem like she gets rad documents from Jamie's list). I included them all on the excel sheet though.

You can ignore the gray highlights as those are internal copies.

Let me know if you see anything else I am missing.

Thanks!

Kim
